

# THE REAL MANHUNTER

## THE COLIN SUTTON CASEBOOKS

Former Detective Chief Inspector Colin Sutton spent 30 years in the police force, a career that saw him lead many of the most high profile and successful murder investigations of his generation, and although he will forever be associated with the arrest and conviction of serial killer Levi Bellfield and 'night stalker' Delroy Grant, his career was so much more, as his conviction record shows. Of the 37 murder cases he investigated, he solved 35 with convictions.

In this exclusive 10-part series, Sutton (recently portrayed by Martin Clunes in ITV's huge hit drama *Manhunt*) will revisit cases he led and explore everything from the crime itself through to the breakthrough moment when the suspect was identified and arrested. He will take the viewer on a journey from the moment the police were called to the scene, visit key locations, and explain how he and his team managed to gather enough evidence to secure a conviction.

*The Real Manhunter* features contributions from fellow police officers and journalists who covered the cases and will offer a gripping insight into exactly what happens after the most violent of crimes has been committed.
