

## PRINCESS DIANA: A LIFE AFTER DEATH

*Princess Diana: A Life After Death* is different from many of the recent programmes commemorating the 20th anniversary of Princess Diana's death. It is not just an anniversary programme. It is a powerful summary of Princess Diana's historical, political and social legacy.

The distinguished contributors include Sir Anthony Seldon, Alastair Campbell, Jeffrey Archer, Emily Nash, Katie Nicholl, Catherine Mayer, Richard Kay and Sarah Bradford, Viscountess Bangor.

Backed by a full orchestral soundtrack, *Princess Diana: A Life After Death* takes a lasting approach to describing the life of one of the most important women who has ever lived.
