

# WHITES

Set in the high-pressured kitchen of a beautiful country house hotel, comedy series *Whites* follows the trials and tribulations of head chef Roland White and his sous chef Bib.

Roland is a fantastic chef who was on the brink of success 15 years ago, but has since lost the sparkle and drive needed to win that long coveted Michelin star. When he puts his mind to it he can cook with the best of them, but laziness gets the better of him, much to the annoyance of the restaurant's manager and Roland's secret admirer, Caroline.

Joining them in the kitchen is quirky waitress Kiki, the hotel's owner Celia and ambitious new apprentice chef, Skoose, whose ambition it is to replace the constantly under-pressure and long-suffering Bib!

Amidst fine-dining and beautiful countryside, Whites should be a tranquil slice of heaven – but with this disparate group of characters behind the scenes, things can regularly heat up in the kitchen...
