# SURVIVOR'S GUIDE TO PRISON

You're more likely to go to prison in the United States than any other country in the world, so in the unfortunate case it happens to you, this is the *Survivors Guide to Prison*.

Narrated by Academy Award® winner Susan Sarandon, the nonstop film chronicles the stories of two men who spent decades behind bars for murders they did not commit. With additional narration by activist celebrities like Patricia Arquette, Jesse Williams, Ice T, RZA, Busta Rhymes, Tom Morello, Macklemore, B-Real, Deepak Chopra, Warren G and more joining forces to change this broken system, the *Survivors Guide to Prison* exposes a failed 'punishment model.'

Gripping testimony from inmates, guards, staff, police, analysts, lawyers and reformers lend further credibility as documentarian Matthew Cooke examines the system cell by cell and by contrast, the dramatic programs proven to work.
